Welcome to North Devon's open art studios

Now in its ninth year, Art Trek continues to represent local artists as they throw open the doors of their homes and studios to celebrate, with you, the quality and diversity of the arts and crafts made in the beautiful North Devon area. You can talk informally to some of our best artists and makers and see work in progress, on-site demonstrations and take part in workshops.

The studios include National Trust properties, art galleries, cafés, school rooms, ateliers and homes spread amongst the area's coast and countryside which so inspires our artists, whose disciplines range from painting, sculpture, printmaking, textiles and jewellery to photography, stained glass, wood-carving, furniture, ceramics and multi-media. We are grateful to Stella Levy for her encouragement and co-ordination in getting so many artists involved.

Art Trek 2012 spans the first three weekends in July, from 7 to 22, with many artists also opening during the week and throughout the year. The locations and details are listed on pages 14 and 15 in this brochure. Listings for each venue are on the website at www.ndtt.org.uk/arttrek, where you can find more information on dates, times, locations, accessibility, parking, demonstrations, workshops, bus routes and cycle routes.

If you have any queries, the artists involved in Art Trek will always be delighted to hear from you and sometimes, with the more remote venues, it's worth 'phoning beforehand to get exact directions.

Have a wonderful Art Trek and enjoy discovering the abundance of creative talent in North Devon.

SUPPORT ART TREK

Art Trek is produced by North Devon Theatres' Trust. We are a registered charity responsible for the Queen's Theatre Barnstaple, Landmark Theatre, Ilfracombe and North Devon Museum. We present a range of theatre, visual arts and heritage events for residents and visitors to our beautiful region. We also run an extensive education and outreach programme that offers over 20,000 places each year to the young and young-at-heart.

Each year we need to raise over £700,000 from donors, sponsors, grant makers and charitable trusts and foundations to make our work possible.

If you have enjoyed Art Trek and would like to make a donation to support our work, please visit our website www.northdevontheatres.org.uk or speak to the Box Office team at either of our theatres.

All three venues show diverse exhibitions of local and national artists.
Visit www.northdevontheatres.org.uk for details.
