Equipment

Standard sound, light and presentation equipment will be included in the hire charges, but we can always provide specialist equipment if required, which will be re-charged at cost. There is a minimal charge for use of overhead projectors, television and video, but flip charts are provided free. Your technical requirements will be discussed and agreed in advance.

Catering

Our catering facilities are first class and we offer an extensive range of menus to suit your every requirement.

-  From a working lunch to a 4-course dinner
-  Special requirements and dietary needs catered for
-  Prices range from £2.50 to £20.00 per person
-  All types of entertainment can be arranged to ensure a perfect day

Travel Arrangements

The Queen's and Landmark Complexes are situated in a picturesque region of North Devon and are easily accessible by road and rail; regional and major airports are within comfortable travelling distance.

By Road ...

North Devon can be accessed by road from the motorway network, leaving the M5 at Junction 27. From there, the A361 North Devon Link Road speeds vehicles into and out of the area. Barnstaple is accessible directly from the Link Road, whilst Ilfracombe is a short distance to the North of the area.

By Rail ...

Cross Country and Inter-City rail links are at Tiverton Parkway and Exeter. The picturesque Tarka Line is available from Exeter Central and terminates at Barnstaple Junction. Central London lines are just two hours travelling time from Tiverton and Exeter.

By Air & Sea ...

Regional Airports are situated at Exeter and Bristol, with London Heathrow approximately 3 hours travelling time from the area. Sea freight and ferry services are available in Plymouth, whilst Bideford retains its status as a working seaport.
