## The Landmark Theatre

Built in 1998, the Landmark Theatre is a modern venue with a unique structure and design. Three flexible spaces are licensed for civil ceremonies in a contemporary setting.

Our experienced and creative team are available to offer full support and assistance including advice on live music or discos, full catering and stewarding and any technical requirements you may have.

### The Landmark Theatre Main Stage

If you are looking for something unique, we can host a wedding ceremony on the main stage dressed to your specification with music delivered throughout. Themed lighting and projection is available to maximise the space, providing a truly remarkable and memorable setting.

The Landmark Theatre has become popular with touring comedians, artists and bands and you'll be treading the boards in the footsteps of Bill Bailey, Eddie Izzard, Ken Dodd and Bradley Walsh to name but a few!

## The Pavilion

The Pavilion is a cool and contemporary space flooded with natural light. The unique circular design room has stunning views over Capstone Hill and the sea through panoramic floor to ceiling windows.

After the meal, the Pavilion transforms into a spectacular place to party, with a dramatic lighting sequence around the interior to set the scene. You can dance to music by a live band or DJ, or play your favourites through a state-of-the-art sound system. The sprung dance floor is perfect for dancing the night away with friends and family and we can offer a license until late so you needn't stop at the first dance.

The bridal party can also pamper themselves and enjoy adding the finishing touches to their glamorous outfits in the lovely Powder Room. With direct access from the Pavilion, this delightful room is perfect for powdering your nose before those all-important wedding photos!

## The Rendezvous Bar

Think intimate and chilled out with a low key North Devon coastal wedding, where a ceremony for up to 60 guests overlooking the sea as the sun goes down - amazing shots for the album are guaranteed.
